Aligned UI

Alignment + Responsiveness System

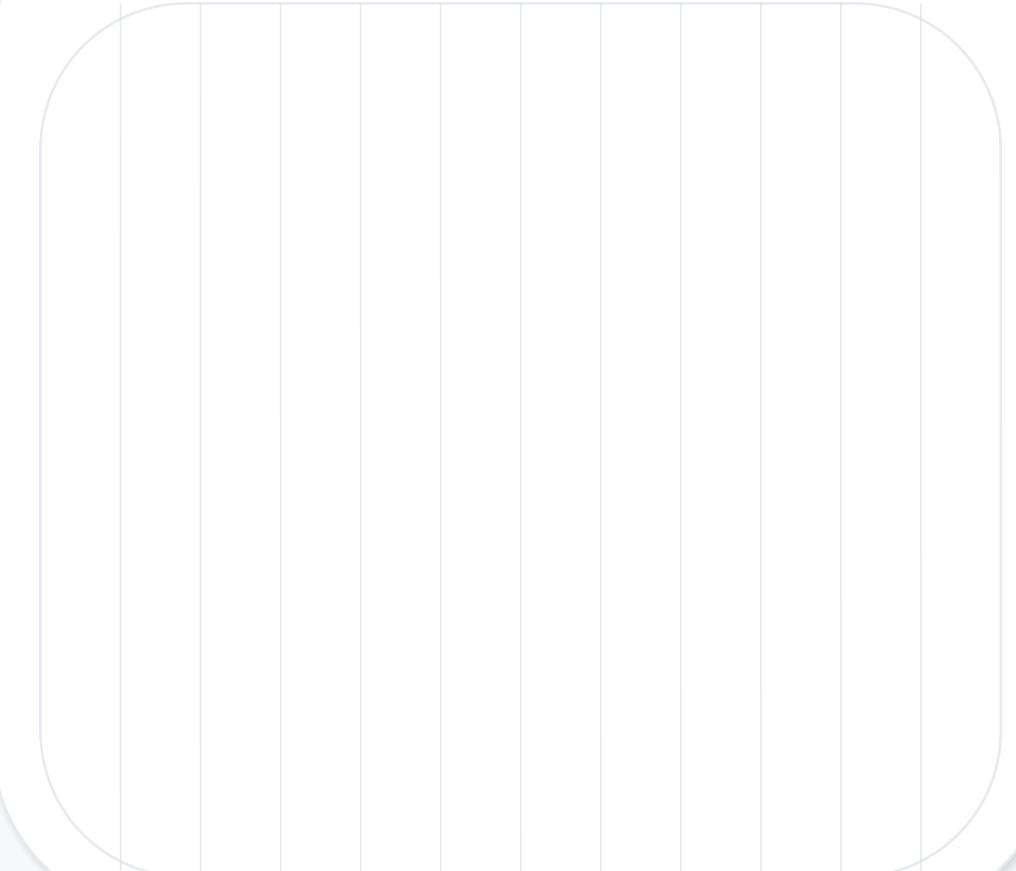

One spacing scale, consistent left edges, and breakpoint reflow rules for mobile + web.

Mobile: 4-column grid (16dp margin, 8dp rhythm)

Rules: align to columns • keep a single left edge • reflow actions at $\leq 360\text{dp}$

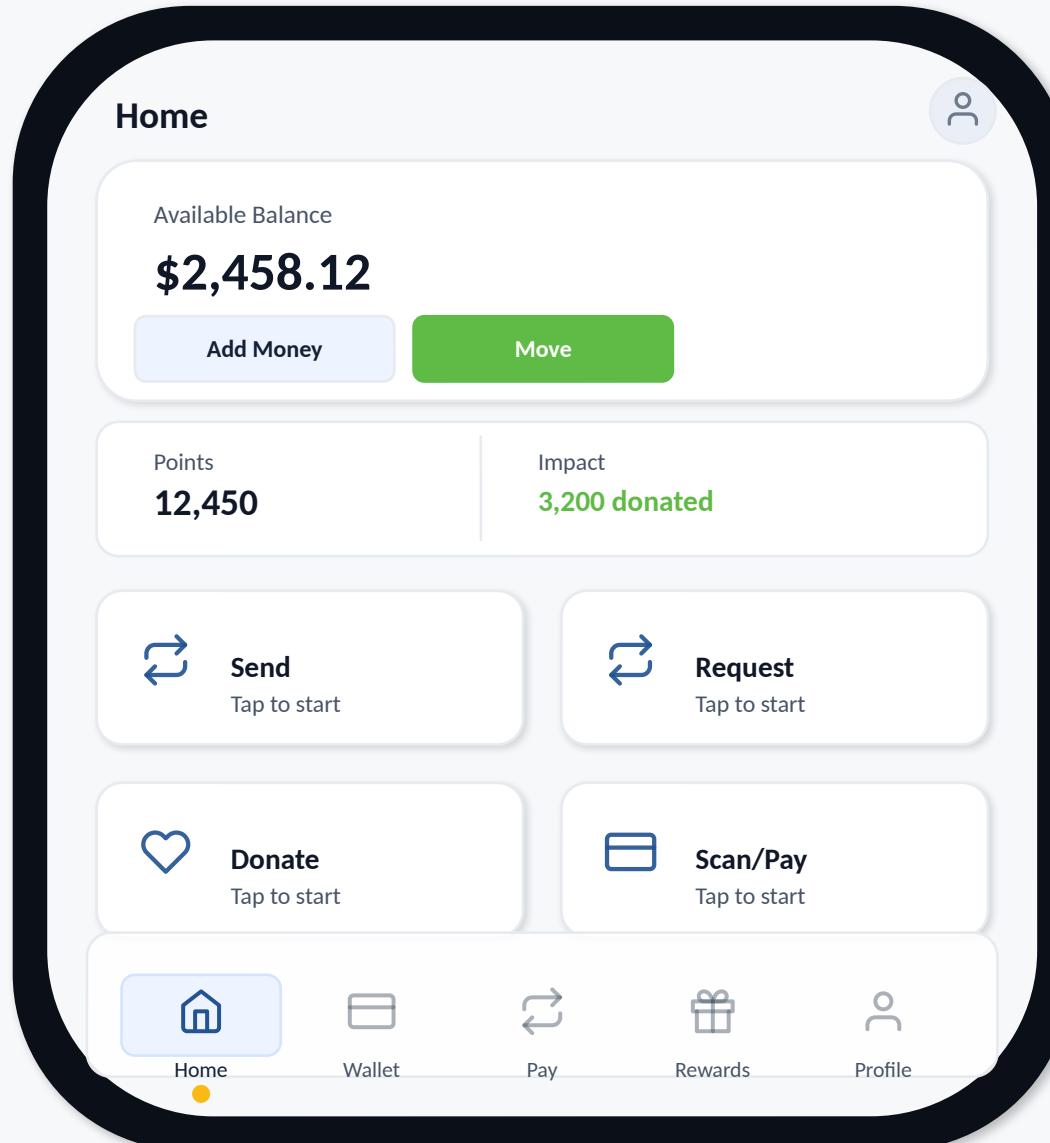

Web: 12-column grid (max content width + responsive panels)

Rules: keep cards snapping • avoid over-stretching • prioritize data clarity

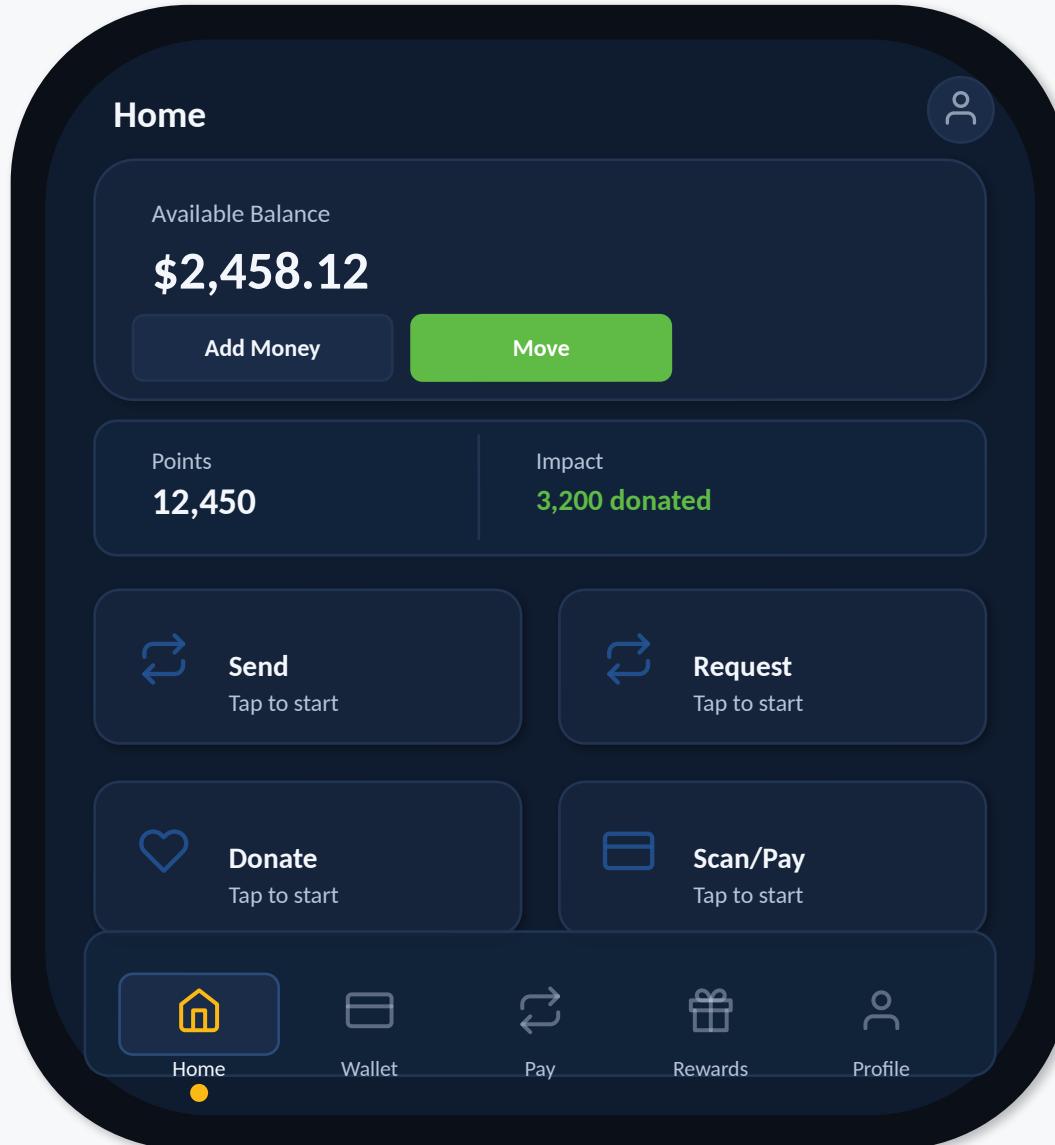

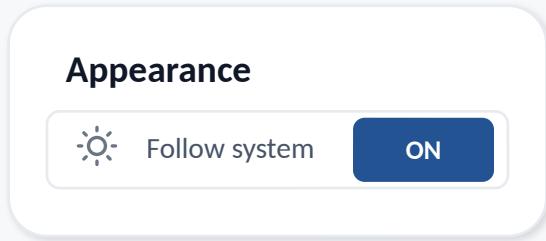

Mobile Wallet — Home (Light)

Consistent left edges, 2x2 actions for compact screens, translucent tab icons.

Mobile Wallet — Home (Dark)

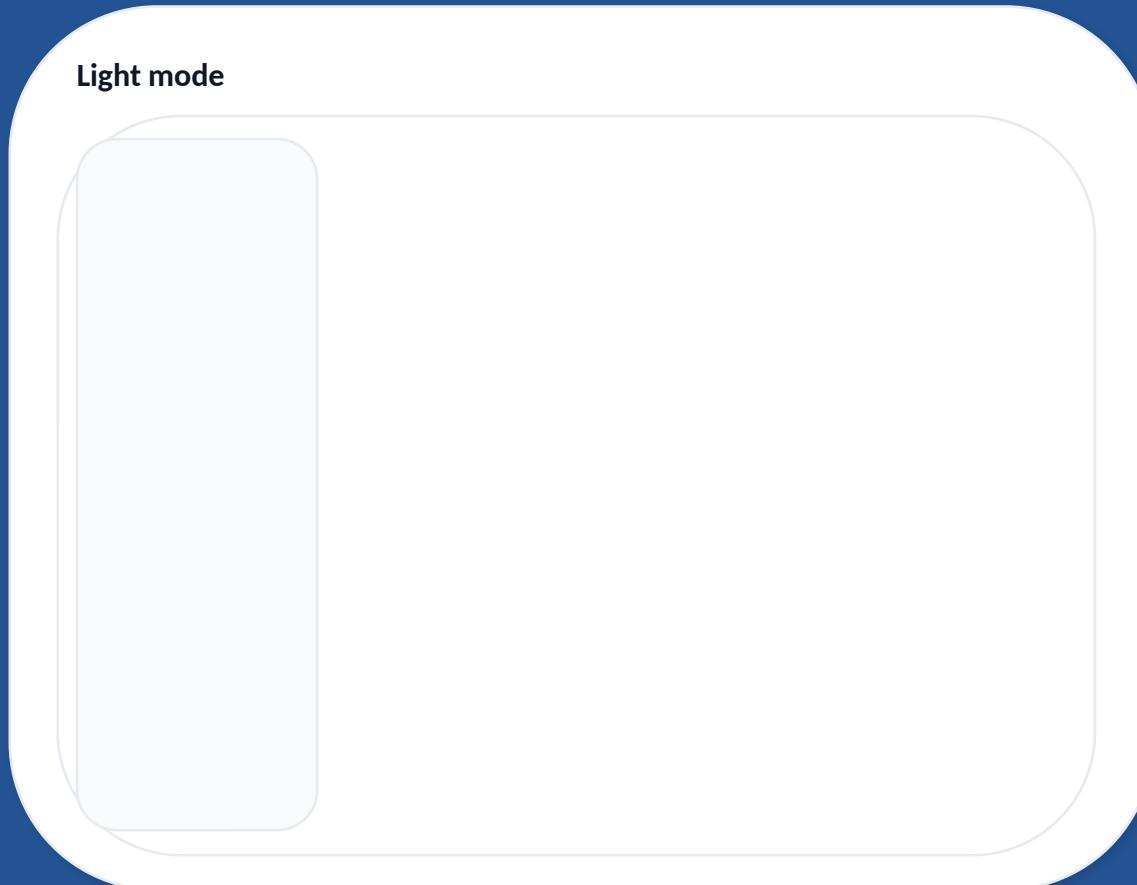

Dark mode is a theme swap only (same layout + constraints).

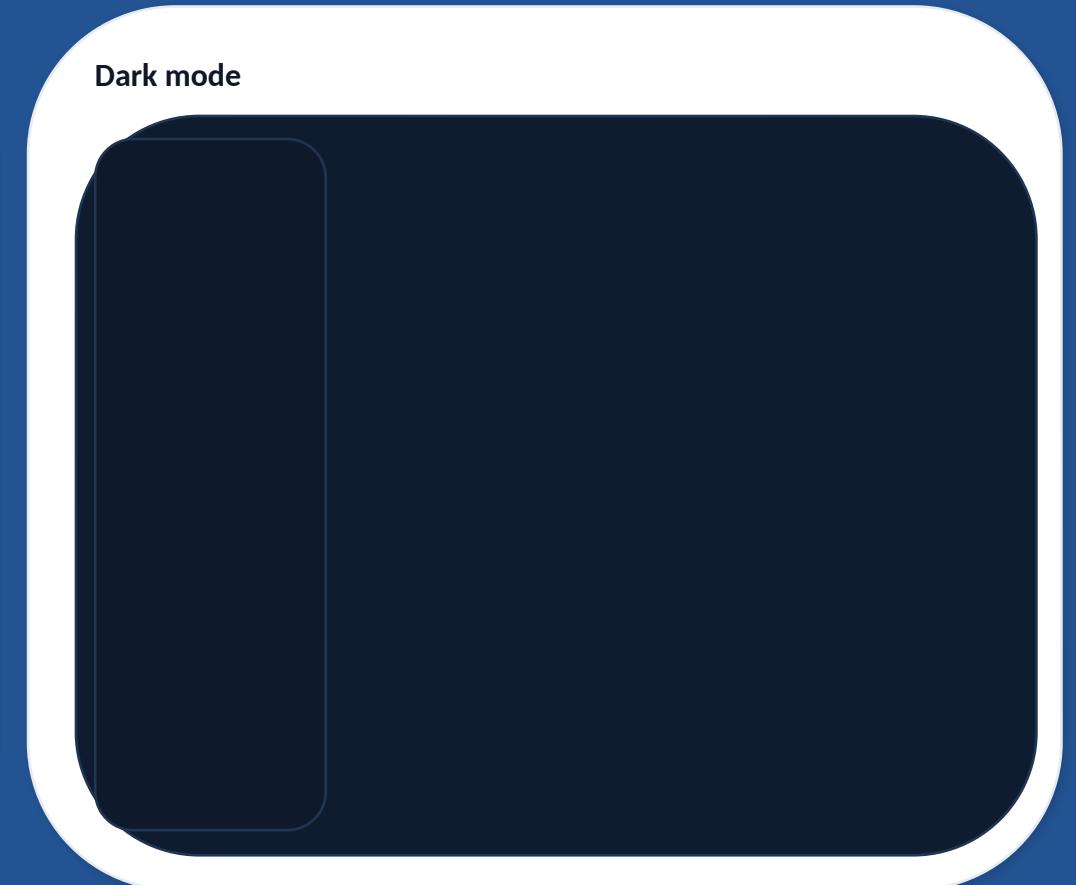

Web Portal

Admin + analytics surfaces for rewards, transfers, community impact, and AI concierge controls.

Web Portal — Dashboard (Light)

12-column grid, max content width, and a persistent left nav for fast scanning.

The screenshot displays the Swipe Savvy Web Portal Dashboard (Light) with a 12-column grid layout. A persistent left navigation bar is visible on the left side of the screen.

Persistent Left Nav:

- Swipe Savvy Portal — Dashboard
- Dashboard
- Users
- Transfers
- Rewards
- Impact
- Settings

Header:

- Three circular icons (red, yellow, green)
- Swipe Savvy Portal — Dashboard

Search Bar:

Search users, transfers, causes...

Notifications:

(Bell icon)

Key Metrics (Cards):

- Total DDA: \$8.2M (+2.1% WoW)
- Savings: \$3.1M (+2.1% WoW)
- Points Earned: 24.6M (+2.1% WoW)
- Points Donated: 5.4M (+6.2% WoW)

Recent Transfers:

User	Type	Amount	Status

Web Portal — Users + Compliance (Dark)

Dark mode: higher focus, less eye strain for long admin sessions.

The screenshot displays the Swipe Savvy Web Portal in Dark mode. The interface includes a top navigation bar with three circular icons (red, yellow, green) and the text "Swipe Savvy Portal — Users". On the left, a sidebar titled "Swipe Savvy" lists "Dashboard", "Users" (selected), "Transfers", "Rewards", "Impact", and "Settings". The main area features a search bar with placeholder text "Search users, transfers, causes...". A bell icon is located in the top right corner. The central "Users" section shows a table with columns: Name, Tier, KYC, and Risk. The data rows are:

Name	Tier	KYC	Risk
Ava Chen	Gold	Verified	Low
Marcus B.	Silver	Pending	Medium
Jules K.	Gold	Verified	Low
Sam T.	Bronze	Failed	High

To the right, a "User Detail" panel is open for "Ava Chen", showing her profile picture, name, KYC status (Verified), linked banks (2), default DDA, and a "Limit" button.

Web Portal — AI Concierge Console

Configure “Savvy” intents, action approvals, and audit trails (agentic, but controlled).

The screenshot shows a web-based user interface for managing AI-driven actions. At the top, there's a header bar with three colored dots (red, yellow, green) and the text "Swipe Savvy Portal — Savvy Console". Below the header is a sidebar titled "Swipe Savvy" containing links for Dashboard, Users, Transfers, Rewards, Impact, and Settings (which is highlighted). A search bar at the top right says "Search users, transfers, causes...".

The main area features a "Conversations" section with four items:

- Jules K.**: "Donate 1,000 points..."
- Marcus B.**: "Send \$50 to..."
- Ava Chen**: "Freeze my card..."
- Nia S.**: "Set savings goal..."

To the right of the conversations is a callout box titled "Savvy (Agentic) — Requires confirmation" containing the following text:

User: Donate 1,000 points to Clean Water

Savvy: Prepared donation
Impact: ~12L clean water

At the bottom right is a "Review & Confirm" section with the following details:

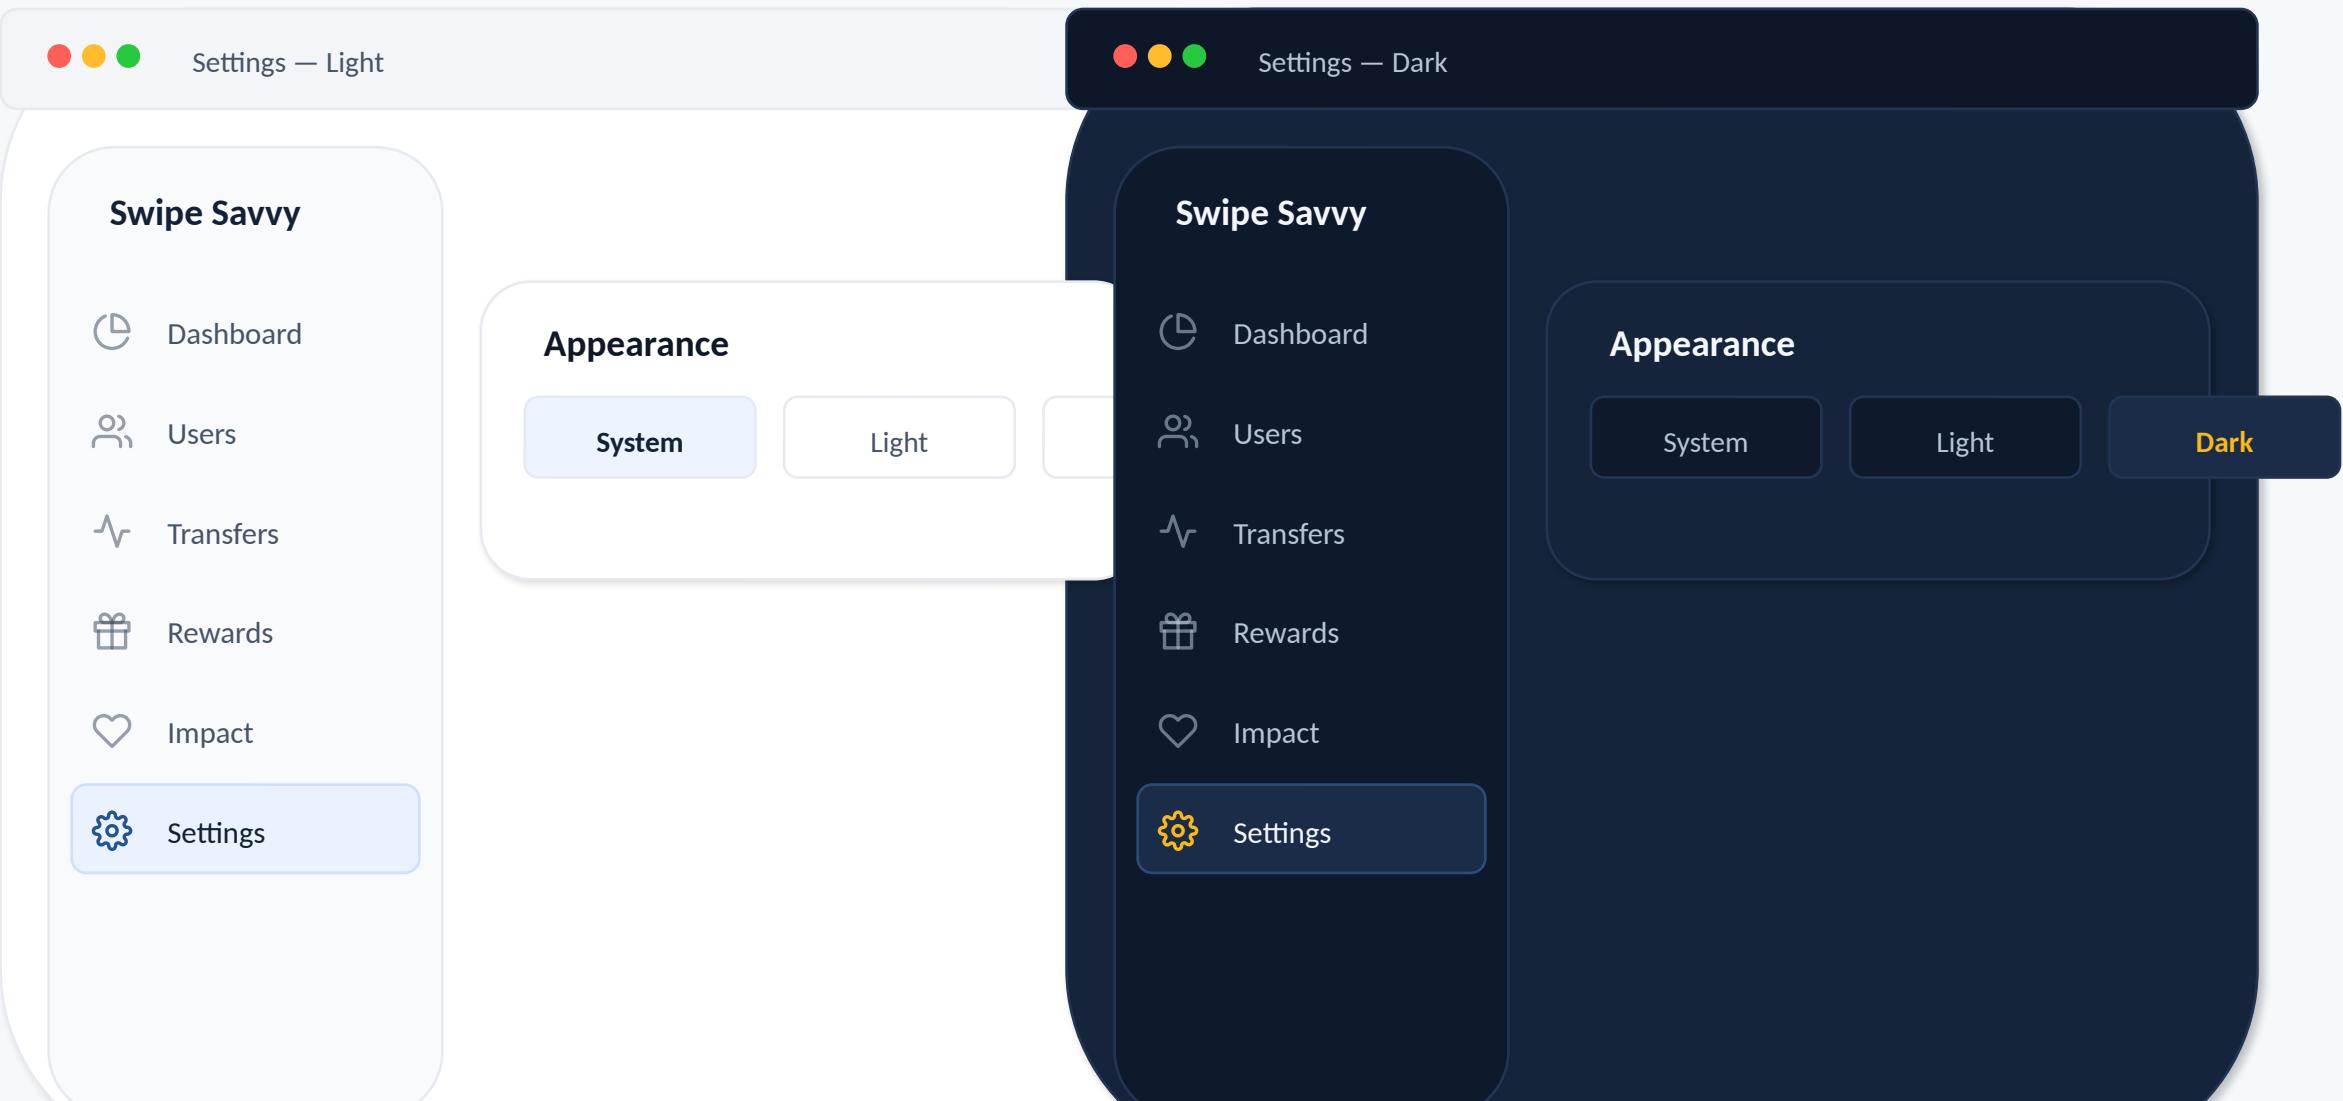

Donate: 1,000 points
Cause: Clean Water
Share: Off

With two buttons: "Confirm" (green) and "Cancel".

At the very bottom, a footer message reads: "Audit: prepared action (pending confirmation)".

Web Portal — Settings (Appearance)

Light/Dark/System + translucency rules for icon states.

Icon states: Inactive = ~45–55% stroke opacity • Active = 100% + subtle highlight capsule • Labels always on (Gen X readability)
